## 4th Annual LITE Foundation Glow Run

### 2019 Race Route

The race will start in the driveway to the Medford City Park, near the corner of Wheelock Avenue and North Washington Avenue. At the end of the driveway, it will turn left on Wheelock Avenue and run east until the road veers right and turns into Luepke Way. Follow Luepke Way to the footbridge that crosses the river. On the other side of the river, turn left to follow the Pine Line trail for 1.2 miles (the route crosses Allman Avenue). Head north to the turnaround barrel then back down the Pine Line Trail to Allman Street. The race then turns right on Allman Street, then left on Centennial Avenue. Follow Centennial Avenue to Wheelock Avenue where it turns right and brings you back to the driveway of the Medford City Park. The start and finish line are in the same location. There will be a person to direct you at each intersection.
